session to in the session of \$100,000.

The other damage caused by the fire was said to be in excess of \$100,000.

Staten Island had to summon help from Manhattan to fight a fire. The beau out when three has been engage caused by the said to be in excess of \$100,00

The hunt for Arnstein was resumed with renewed vigor yesterday and will be conducted along lines that are expected to lead to a far different result from that made by the Police Department. An advertisement offering a reward of \$2,500 for information leading to the identification, arrest and extradition of Arnstein and Cohn was ordered published in a morning newspaper to-day by Mr. Myers. The advertisement carries photographs and a description of both men. That of Arnstein is given as follows:

"Aged, forty-two years; height, 5 feet 1½ inches; weight, 160 pounds; trown hair, gray eyes, brown mustache, medium complexion and has the appearance of an Englishman; erect walk; frequents first class hotels and gambling houses. Husband of Fannie Brice, the actress."

Cohn is described as being "fortytwo years old; height, 5 feet 9 inches; weight, 200 pounds, dark brown hair, brown eyes, medium complexion; pickpocket, confidence man and wire-tapper."

The finger prints of both men are

pocket, confidence man and wiretapper."

The finger prints of both men are
also reproduced.

The arrest of a man described as "an
important witness" in the bond cases
a expected to-day, and it is believed
that Arnstein will be in custody before the end of the week. Mr Myers
does not share the belief that Nicky is
hiding in Canada. This has been the
theory held by the police since Detec(Contlaued on page three)

### No Dominant Candidate Wood Chiefs

Hitchcock and Managers of Southern and Eastern Districts in Conference and Outline Campaign

To Win Fight

management of the pre-convention heated meeting demanded support campaign of General Leonard Wood was successfully passed yesterday in an all-day conference at the Hotel Manhattan attended by Frank H. Representative Norman J. Gould and Colonel Thomas W. Miller, Eastern manager and assistant Eastern manager, and United States Senator George H. Moses, of New Hampshire Southern manager of the Wood campaign.

It is understood that Mr. Hitchcock who was called in by General Wood who was called in by General Wood himself on March 5 to act as general manager, after John T. King, national committeeman from Connecticut, had withdrawn from the field management of the Wood canvass, discovered last week that some of his reasonable requests made on Colonel William C. Procter, chairman of the Leonard Wood National Committee, had not been honored in a manner consistent with his ideas of efficient handling of the campaign, and he called in Eastern and Southern managers to advise them he would resign unless fuller cooperation were brought about.

New Jersey Neglect Charged

New Jersey Neglect Charged The latest difference between Colone The latest difference between Colonel Procter and Mr. Hitchcock is said to have been over the neglect of Colonel Procter at the Chicago headquarters to provide adequate funds for carrying on the fight in the New Jersey primary. It is said the Eastern managers, supported by Mr. Hitchcock, requested a reasonable amount of money for advertising, circularizing and automobiles for Tuesday last in New Jersey and that the Chicago headquarters failed to respond.

would carry the state by from 15,000 to 20,000. Then came the "invasion" of Senator Johnson, assisted by Senators Borah and Kenyon and others, backed has issued a decree mobilizing motor trucks and requisitioning other transportation equipment in certain regions.

Technical students and volunteers, who were organized by the government during the strike last February, already are replacing many of the Johnson men seemed to have plenty of money in the high towns. of money in the big towns.

The strikers succeeded in crippling traffic to-day on four of the five big systems—the Eastern, Northern, Orleans and the Paris, Lyons and Mediterranean. The state line to Havre was tied up temporarily and the Lazarre state system cancelled all trains from the capital, Service on all lines was curtailed, with the Parisian forces operating about 50 per cent of normal. However, Yves le Trocquer, Minister of Public Works, was most optimistic to-day.

"The strike is a complete failure," he said.

Determined to Fight Strike

The government's determination to fight the strike for nationalization has been voiced by M. le Trocquer and Premier Millerand. M. Millerand said the government was prepared to do its of the strike for nationalization has been voiced by M. le Trocquer and Premier Millerand. M.
